

DECLARATION

On the use of Genetically Modified Organisms

We are hereby guaranteeing that the products supplied by our company Zoutman NV comply with Rules nr. 1829/2003 and 1830/2003, of the European Parliament and Council, regarding the food products and rations for animals traceability and labeling produced deriving from Genetically Modified Organisms (OGM - GMO).

We further guarantee that the products supplied by us do not contain any genetically modified raw material, not including nor being manufactured from genetically modified raw materials and/or additives and/or ingredients and/or organisms, therefore it is guaranteed that the products supplied do not have any trace of GMO's, whatever its percentage. Thus, we confirm that the products supplied by us are not, totally or partially, a GMO or derived from any GMO.
